West Shore Community

Community Sponsorship Agreement

Local businesses and generous private citizens often lead the way in supporting grassroots initiatives intended to contribute positively to the quality of life we enjoy here on the West Shore. Today, many members of our community are concerned about the future ... the cost of living ... climate change.

ReImagine West Shore is on a mission to connect community members with each other and some of the simple changes we can make to build a more caring and sustainable future for the citizens of Colwood, Highlands, Langford, Metchosin, View Royal, and other neighbouring communities.

Our non-profit society's work is done by volunteers, but hard costs still remain. 2024 Sponsorship dollars will support the year-long program of accessible public conversations, gatherings, and events being planned by ReImagine West Shore. Join us as a Sponsor ... Be the change.
