

REPAIR CAFE

ReImagine
West Shore Community

**“Toss it?
No way!!
We want to
fix it!”**

**Got the tools & time?
We’re looking for a few
handy superheroes
to join our righteous
repair quest.**

Repair Café ReImagine West Shore is a community initiative that promotes repair as an alternative to tossing things out. We are working to host a Repair Café about three times a year in different locations on the West Shore. Our first one takes place on **Sunday, February 25, 2024 in Metchosin**, as we carry on with an initiative that was started last year by the Metchosin Arts & Cultural Centre Association.

It’s all about learning new skills, saving money, and helping to minimize waste! Residents can bring their broken items to fix them on the spot with the help of voluntary repairers.

Repair Café ReImagine West Shore could use more handy volunteers and we’re looking for local residents with different skills who can serve as repair experts during our Repair Café meetings. We are especially looking for people who enjoy sharing their knowledge with members of the public and are handy with:

- * small appliances
- * wood & metal items
- * clothing & textiles
- * garden & hand tools
- * bicycles
- * broken toys
- * dull knives/blades
- * small power tools
- * computerized stuff
- * jewelery

We are also looking for folks who would enjoy helping to host the meetings, by providing light refreshments, welcoming visitors and serving as a contact point for both the visitors and repairers attending the Repair Café event.

Want to volunteer to join our local quest? Email connect@reimagineus.ca (please be sure to include your phone number, too!). Thank you and see you soon at the Repair Café!
