Support a **FREE All-Ages Community Event!**

Welcome to **Power Play**, a free all-ages event coming to the **Victoria Scottish Community Centre** and their beautiful 3-acre waterfront property in View Royal, which is also home to **Craigflower Manor National Historic Site**, the oldest Scottish-built farmhouse in British Columbia. We'd love to have you join the **Town of View Royal, Vancity**, and other financial supporters to help make this a terrific summertime pop-up event for people living in our community. **Please consider becoming a Power Play event sponsor.**

Power Play aims to produce plenty of fun while helping to promote the latest in electric and sustainable living. Our pop-up features live entertainment, food, Kid Zone, E-Bikes and cool EVs, heat pumps, electric home and garden gadgets, solar and wind power, battery storage, electric and solar BBQs, the latest news about rebates, and the **Power Chef Cooking Challenge** that has **Colwood Mayor Doug Kobayashi** facing off against **View Royal Mayor Sid Tobias** for induction cooking superiority!

Learning to live more sustainably can actually be a lot of fun. **Please consider joining the Power Play 2024 Team as a Sponsor.**

Community Sponsorship Opportunity

Many members of our community are concerned about the future ... the cost of living ... climate change. **Power Play: Get the Buzz on All Things Electric** invites community members of all ages to engage a festive summer afternoon while discovering ways they can save money and reduce their impact on the planet by making a shift to electric. Local businesses and generous private citizens like you often lead the way in supporting grassroots initiatives intended to contribute positively to the quality of life we enjoy in **Colwood, Langford, View Royal, Metchosin, Highlands**, and our surrounding communities.

ReImagine West Shore is on a mission to connect community members with each other and some of the simple changes we can make to build a more caring and sustainable future. Our non-profit society's work is done by volunteers, but hard costs still remain. Help us make this a memorable community event for the people of the West Shore. Join us as a Sponsor ... Be the change.
